2019 Employee Health and Safety Data

2019 Employee Health and Safety Data

In line with its mission and vision, SMIC strives to be an employer of choice and provides for the health, safety and welfare of its employees. Through the efforts of its Human Resources Department (HRD), the Company has established policies and programs that promote a safe and healthy work environment that caters to all cultures and creeds and encourages employee development and growth.

SMIC encourages good health and wellness through its various sports and fitness programs. Employees may use the courts and fitness facilities in the workplace and are encouraged to participate in HRD supported aerobic and dance activities. The Company also conducts orientations and learning sessions on health related matters, such as breast and cervical cancer awareness and detection; influenza and hepatitis B prevention and drug abuse awareness, to name a few. Furthermore, SMIC facilitates the distribution and administration of essential vaccines, has a fully functioning clinic and has recently employed the services of a 24- hour roving ambulance service.
